Bill Strusinski, a member of the American Legion Post 225, was selected as one of the Recipients of the Minnesota Humanities Center's Veterans Voices Award for 2020. This Humanities Center annual legacy award was in recognition "For Outstanding Contributions To Amplifying Veterans' Voices in Minnesota".

Strusinski, is the author of **Care Under Fire**, a book about his Experiences as a Combat medic with the First Infantry Division in Vietnam. Strusinski said, "I am honored to receive this award in particular because writing my story was therapeutic and hopefully helps other veterans understand that we can turn adversity into something positive." His book speaks to all veterans who may be suffering from PTSD by helping them realize they are not alone.
